

Fourteenth
**International Symposium on Advances in
Electrochemical Science and Technology**
January 06-08, 2027

Ocean Spray Pondicherry,
Tamil Nadu, India

First Circular
&
Call for Papers

Organized by
Society for Advancement of Electrochemical Science &
Technology (SAEST), Karaikudi, Tamil Nadu, India

in association with

CSIR-Central Electrochemical Research Institute
(CSIR-CECRI) Karaikudi, Tamil Nadu, India

About the Symposium

Electrochemistry, a branch of physical chemistry, is at the crossroads of several important disciplines including Chemistry, Chemical Engineering, Physics, Materials Science, Metallurgy, Electrical & Electronics Engineering and Biological Sciences in advancing real-world technologies. In meeting the global demands in energy, environment, clean air & water, affordable healthcare, critical metals recovery, etc. electrochemical science and technology play a vital role.

To bring the experts across the globe together and to provide a platform to exchange ideas, knowledge, experience and to discuss on the recent developments in the areas of electrochemical science and technology, the Society for Advancement of Electrochemical Science & Technology (SAEST) in association with CSIR-Central Electrochemical Research Institute (CSIR-CECRI), Karaikudi, Tamil Nadu, India is organizing the **14th International Symposium on Electrochemical Science and Technology (iSAEST-14) during January 06–08, 2027 at Ocean Spray Pondicherry, Tamil Nadu, India**. The symposium will provide research scholars and young researchers an opportunity to learn the recent trends and futuristic areas of electrochemical science and technology to focus on.

A pre-conference one-day workshop will also be conducted on **January 05, 2027** for the benefit of research scholars by the experts in the fields of fundamental and applied electrochemistry.

SAEST & CSIR-CECRI invite students, research scholars, scientists, and experts from academia and industries across the globe to participate in iSAEST-14 and make it a grand event.

Thematic Areas

The thematic areas of iSAEST-14 are:

- Advanced Electrochemistry, Electroanalysis & Electrocatalysis
- Electrochemical Energy Storage & Conversion Systems
- Surface Engineering, Metal Finishing, and Electrometallurgy
- Corrosion Science and Materials Protection
- Electro-Organic Synthesis
- Electrochemical Materials Science
- Bioelectrochemistry and Electrochemical (Bio) Sensors
- Green Hydrogen Technology & Fuel Cells
- CO₂ Capture & Conversion Technologies

Call for Papers

Abstracts are invited from students & researchers from academia and industries-for presentation in the symposium. The abstract submission is only through the online portal available at www.saest.com (or) <https://isaest14.saest.com>. The abstracts should not exceed 300 words including references and a maximum of two figures (if any). The deadline for abstract submission is on or before **October 15, 2026**. Accepted abstracts will be intimated to the corresponding/presenting author by email and will be presented in oral/poster sessions during the symposium.

Awards

Best Oral/Poster presentations will be awarded in the conference to encourage young researchers.

Symposium Programme

Dates : January 05, 2027 (pre-conference workshop)
January 06 - 08, 2027 (iSAEST-14)
Venue : Ocean Spray Pondicherry, Tamil Nadu, India
Language : English

Programme : Pre-conference workshop (Topic will be announced later), Keynote Lectures, Invited Lectures, Oral and Poster Presentations, Commercial Exhibition, and Cultural Event.

Important Dates

Deadline for abstract submission : October 15, 2026
Acceptance notification to author : October 30, 2026
Deadline for Registration : November 15, 2026

Accommodation

Delegates are requested to contact directly the venue, Ocean Spray Pondicherry (<https://www.oceanspray.in/>) well in advance with their accommodation requirements.

Registration

Registration fee is mandatory for all the participants. Registration fee includes participation in all the technical sessions, refreshments, three lunches and two dinners. The registration fee may be paid through online at www.saest.com (or) <https://isaest14.saest.com> on or before **November 15, 2026**.

Participant Category	iSAEST-14 Symposium only (January 06-08, 2027)			Pre-Conference Workshop + iSAEST-14 (Combo) (January 05-08, 2027)
	On or before November 15, 2026		After November 15, 2026	
	Overseas (US\$)	India (₹)		
Delegates (Academic / R&D Institution)	350	12,000	13,000	14,000
Delegates (Industry)	450	16,000	18,000	20,000
SAEST Members	---	10,800	11,700	12,600
Students / Research Scholars	250	8,000	9,000	10,000
SAEST Student Member	---	7,200	8,100	9,000
Accompanying Spouse	200	8,000	8,000	-----

Commercial Exhibition & Sponsorship

Sponsorship for iSAEST-14 is encouraged from Academic Institutions, Industries, and Instrument/Chemicals Manufacturers/Suppliers. The exhibition will showcase a wide range of products as well as services, the latest developments in electrochemical products. It will provide industry/organization with a unique opportunity to access a high profile, highly targeted, global audience from the government, industry, academy and the electrochemical community at large. SAEST invites advertisement for inclusion in the souvenir in multi-color art paper. The sponsorship charges and the benefits under various categories are as follows:

Sponsor Category	Charges (₹)	Benefits
Platinum	7,00,000	Full page colour advertisement in the souvenir book + free registration for 7 Delegates + one stall (2 m x 4 m)
Gold	5,00,000	Full page colour advertisement in the souvenir book + free registration for 5 Delegates + one stall (2 m x 4 m)
Silver	3,00,000	Full page colour advertisement in the souvenir book + free registration for 3 Delegates + one stall (2 m x 4 m)
Bronze	2,00,000	Full page colour advertisement in the souvenir book + free registration for 2 Delegates + one stall (2 m x 4 m)
Stall	75,000	Full page colour advertisement in the souvenir book + free registration for 2 Delegates + one stall (2 m x 2 m)
Advertisement	30,000	Full page colour advertisement in the souvenir book

Detail of online payment

The registration fee and sponsorship charge may be paid through online (RTGS) to Treasurer & Secretary, SAEST, Indian Bank, A.C. Campus Branch, Karaikudi, A/c. No. 530826817, IFSC Code: IDIB000A008, SWIFT Code: IDIBINBBTSY.

About Pondicherry

Pondicherry is officially known as Puducherry. The Union Territory of Puducherry comprises of the erstwhile French colonies viz. Puducherry, Karaikal, Mahe and Yanam. The Puducherry and Karaikal regions are surrounded by the State of Tamil Nadu.

Places to visit

Rock Beach (17 km)

Chunnambar Boat House (8 km)

Sri Aurobindo Ashram (16 km)

Pondicherry Auroville (16 kms)

Symposium Secretariat

Dr. B. Subramanian, Secretary, SAEST

CSIR-CECRI Campus, Karaikudi 630003, Tamil Nadu, India
